

Freemasonry is "veiled in allegory and illustrated by symbols" because these are the surest way by which moral and ethical truths may be taught. It is not only with the brain and with the mind that the initiate must take Freemasonry but also with the heart.

"Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold and silver will be disappointed. The wages of a Mason are earned and paid in their dealings with one another; sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a Mason."

- Brother Benjamin Franklin
